Damn, I can't believe I keep doing this to myself
But it's so goodStill got on your shirt
My hair's all out of place (last night we made love)
Don't remember when's the last
Time I came over to your place
I remember we were drinking, laughing about the weekend
We went all the way to the top
Then we swore it to be the last time, but every single time we say that (oh)
We just can't stopWe can't stop doing it, doing it, doing oh
Ooh and it's, ooh and it's, ooh it's so good
Baby, between me and her, you've got to choose
Choose (choose!) dudeWhere are my shoes?
Panties and toothbrush and all?
Can't keep on doing this that long
Running back to you every time you call, I'm losing my coolWhere are my shoes?
What's the time, should I make you breakfast?
Should I just be quiet? (Shh) He's still laying, he's snoring
And I want some more and it puts me out of my fucking mind
We were drinking, touching and we were kissing
And we didn't care who would see
And we swore it to be the last time, but every single time we say that
I get you onto meYou can't stop doing it, doing it, doing oh
Ooh and it's, ooh and it's, ooh it's so good
Baby, between me and her, you've got to choose
Choose (choose!), come on dude!Where are my shoes?
Panties and toothbrush and all?
Can't keep on doing this that long
Running back to you every time you call, I'm losing my cool
Where are my shoes?Pretty bad to feel
'Cause I believe I'm better for you than she is
Better than she is babe
But you milk the cow for free

And I had said I wouldn't be the one for you
Wouldn't be the one for you babe babe
It's pretty 'bout to be the same
And be the other bother me to do (bother me to do)
But your loving makes me weak and I still overhear
Now what am I to do?Where are my shoes?
Panties and toothbrush and all?
Can't keep on doing this that long
Running back to you every time you call (every time you call me babe) I'm losing my coolWhere are my shoes?
Panties and toothbrush and all? (Where is my panties babe?)
Can't keep on doing this that long
Running back to you every time you call, I'm losing my cool
Where are my shoes?You that she's gonna find out at some point right?
I'll come clean
It wasn't me!
