Don't Stop the Party

RnB Chart Remixerz

This is the original
This has no identical
You can't have my digital
Future AboriginalGet up off my genitals
I stay on that pinnacle
Kill you up my lyricals
Call me verbal criminalSend you to that clinical
Subscribe use of chemicals
Audio and visual, can't see me
InvisibleI'm old school like Biblical
Futuristic next level
Never on that typical
Will I stop? I'll never knowI ain't gonna stop until I'm done
I ain't gonna quit until I've wonNow, baby, don't you stop it, stop it
Now, baby, don't you stop it, stop it
Now, baby, don't you stop it, stop it
You cannot stop us nowI ain't gonna stop until I'm done
I ain't gonna quit until I've wonNow, baby, don't you stop it, stop it
Now, baby, don't you stop it, stop it
Now, baby, don't you stop it, stop it
Even if you wanted to you couldn't stop us nowYou could call me crazy, man
Everyday I'm partying
You could find me at the club
Popping bottles, minglin'Ladies dancing to the jam
Actin' all day, man, oh, man
Got me in the mood again
At the party, partyingYeah, I keep it happening
Taken shots, whatever man
Party like a veteran
Music is my medicineYou won't find me settling
Can't be stopped, I'm stepping in
Keep me going till the end
Yeah that's right, here we go againI'm that one that lights it up
We red hot like fire trucks
Burn that book 'cause that's what's up
Tell that DJ, turn it upWe droppin' that music, good people all around
We rockin', head knockin', 'cause they can't shut us down
Ain't, ain't no stoppin', we gonna keep on rockin'
Baby, ain't no stoppin', you cannot stop us nowI ain't gonna stop until I'm done

I ain't gonna quit until I've wonNow, baby, don't you stop it, stop it
Now, baby, don't you stop it, stop it
Now, baby, don't you stop it, stop it, stop it, stop it
You cannot stop us nowI ain't gonna stop until I'm done
I ain't gonna quit until I've wonNow, baby, don't you stop it, stop it
Now, baby, don't you stop it, stop it
Now, baby, don't you stop it, stop it, stop it, stop it
Even if you wanted to you couldn't stop us now
