Let Us Be

Sammielz

Have you ever fell in love with someone so much?
She is everything you ever wanted and more
But it seems that she can't be accepted
By the people that I love for some reason
Could it be all the time I'm away with her?
Or could it be something they see or something they've heard? (Oh no)
But I know that she loves me
But I don't see nothing wrong with her at all (I don't know why)They say she's bad news
How can you love her?
What do you see in her that keeps you so close?
Does she provide for you?
Would you know if she lied to you?
Please tell me, son
It's only 'cause I care
She's been there for me, more than I've asked
She chooses to love me despite my past
I know that you're there for me
But if you really care for meThen please let us beI couldn't bare the fact if I had to go
'Cause leaving her after all these years we shared together (memories will never fade)
We don't mean that all the promises we made
Is no longer forever
Lord please, tell me tell me what to do?
My heart is torn apart in two and I'm lost (trying to figure out why it is, why they all up in my business)But they don't know what it is or how it feels to be loved by you (to be loved by you)
Somebody tell me
They say she's bad news
How can you love her?
What do you see in her that keeps you so close?
Does she provide for you?
Would you know if she lied to you?
Please tell me, son
It's only 'cause I care
She's been there for me, more than I've asked
She chooses to love me despite my past
I know that you're there for me
But if you really care for me
Then please let us be
