Give It Up

Clint Crisher

Driving - the street of life
There's one thing you'll understand
You're just along for the ride
We're sitting on the passenger's side
Come on yeah hey, your life is prophecized
The wheels keep on turning
What will be will be
It's not up to you or me no no oh oh whoa!
Come on, and live it up and give it up, it's just that easy
Come on, and live it up and give it up, it's just that easy
Makes you hot til you've had enough
Come on, it's just that easy, come on
And live it up and give it up, it's just that easy!Pushing - the time is right
To own the night, it's just that easy
Just shampoo'd my ride
It's clean as TIde, oh yeah! oh oh
So come on, and feel my hide
So slide inside, quit your bitching and complaining
If you say it's easy, it's easy
If you say it's hard, it's so damn hard oh oh
Come on, and live it up and give it up, it's just that easy
Come on, and live it up and give it up, it's just that easy
Makes you hot til you've had enough
Come on, it's just that easy, come on
And live it up and give it up, it's just that easy
Come on! ugh, come on!Do you want the life you've always dreamed of
Give it up, live it up, it 's just that easy, oh yeah!
Come on! Give it up! Right now! Give it up!
Come on, and live it up, and give it up, it's just that easy
Come on, and live it up, and give it up, it's just that easy
Come on, it's just that easy, come on
And live it up and give it up, it's just that easy
