Don't Be Like That

Drowners

How can say that is a strict face when you say what's down the line?
Please don't treat me like a stranger 'cause I've put in too much time
If we're forced to be apart, then I'll make up some complaint
For a lifetime in the dark begins to weight down
Back to when you were on and I agreed to your way
Back to when you were on and I agreed to your way
I still want to be involved, I just can't make those mistakes
Don't be like that is all you have to say
