Dead Kings Rise (Demo)

Misfits

Bound by battle scars
When the savages reigned
The lord of war
From his right hand man betrayedBeneath the battle field
His murdered corpse they hide
Oh, curse from hell
Avenge my death, avenge the liesFlesh they stole
But the soul is not begotten
Through the gates of hell
I'll seize my throneFeel my sword
Though the flesh be dead and rotten
Dead kings rise
For vengeance owedBound by battle scars
When the savages reigned
The lord of war
From his right hand man betrayedBeneath the battle field
His murdered corpse they hide
Oh, curse from hell
Avenge my death, avenge the liesFlesh they stole
But the soul is not begotten
Through the gates of hell
I'll seize my throneFeel my sword
Though the flesh be dead and rotten
Dead kings rise
For vengeance owedFlesh they stole
But the soul is not begotten
Through the gates of hell
I'll seize my throneFeel my sword
Though the flesh be dead and rotten
Dead kings rise
For vengeance owed
