A Freak A

Josephine

All of the sound of disguise in the morning
all those empty boys and bloody froze at dawn
So if you have a mask, get it out
and put it on, put it on, put it on, put it on, put it on
if you have a mask, get it out,
and put it on, put it on, put it on, put it on, put it on
A freak A I'm someone, I'm someone.
I like the sound of guitars in the morning
oh yes, I've been clear on this for a long long time
So if you have a mask, get it out
I'm put it on, put it on, put it on, put it on, put it on
if you have a mask, get it out,
I'm put it on, put it on, put it on, put it on, put it on
A freak A I'm someone, I'm a lot of things
A freak A, A freak A, A freak A.
A freak A I'm someone, I'm a lot of things on.
Sometimes I see your face like you see it all those empty thoughts
Do you feel the way out the evening
so many hours lost in the day that's past, since dawn
So if you have a mask, get it out
And put it on, put it on, put it on, put it on, put it on
if you have a mask, get it out,
And put it on, put it on, put it on, put it on, put it on
A freak A I'm someone, I'm a lot of things
I'm not sorry, I'm not sorry ohh.
A freak A, A freak A, A freak A.
A freak A I'm someone, I'm a lot of things
I'm not sorry, I'm not sorry ohh
A freak A, A freak A, A freak A.
