# A Life On Hold

## Brainstorm

Swallow me as I become a living dream
Don't fade on me
Don't let me downThese memories still haunting me
But there's nowhere to run
A tragedy my head spins roundAll I try to find out, try to find out
Why all these words leave me in doubtWhen the sunlight fades away
I feel like my life's on hold
My life's on hold
A storm is moving in on me
Now I know what I've been told
I know what I've been told
Another journey through my soul
I've built myself to last
Forever here but never passed, never passedI know I'm lost, my soul is gone
I pay for my crimes
A shattered ego in my mind
All I try to find out
Why all these dreams leave me in doubtWhen the sunlight fades away
I feel like my life's on hold
My life's on hold
A storm is moving in on me
Now I know what I've been told
I know what I've been toldWhen the sunlight fades away
I feel like my life's on hold
When the sunlight fades away, fades away
I feel like my life's on hold
My life's on hold
A storm is moving in on me
Now I know what I've been told
I know what I've been toldWhen the sunlight fades away, fades away
I feel like my life's on hold
My life's on hold
A storm is moving in on me
Now I know what I've been told
I know what I've been told
