

# Making Believe

## Social Distortion

Making believe  
That you still love me  
It's leaving me  
Alone and so blue  
I'll always dream, but I'll never own you  
Making believe  
Is all I can do  
I can't hold you close  
Darling when you're not near me  
You're somebody's love  
You'll never be mine  
Making believe  
I'll spend my lifetime  
Loving you  
And making believe
