Ciribiribin

Alan Lomax

When the moon is brightly shining
On a lovely night like this
Ev'ry maiden's heart is pinning
For a sweetheart's tender kiss
'Tis the song of sweet romancing
Filling hearts with love's desire
'Tis a melody entrancing
Setting each maiden's heart a fire
Now from a far hear the quitar
Oh, hear it played sweet Serenade,
Aha, Aha

Ciribiribin, Ciribiribin, Ciribiribin.
(Ciribiribin, Ciribiribin, Ciribiribin.)
Ciribiribin I love you and
Do cherish you with all my heart
Ciribiribin, I hope and pray
Each day that we will never part
Ciribiribin If you would only
Say your love will never die
Ciribiribin, Ciribiribin,
(Ciribiribin, Ciribiribin)
Ciribiribin I love you so
