Get To It

Larissa Ness

Come on, come on, come on
Let's get to it
With you every night
I don't know a way to tell you
We could do this right
All we have to do is try
You and I could use this time
You and I could just get out
I want to, do you want to
There's a place that I know
And I wonder if you're ready to go
And you don't have to wait
If you're ready now to go there with me
Come on, come on, come on
Let's get to it
Come on, come on, come on
Let's get to it
There's no reason why
We should write the same old story
We've been here before
This time we can do it right
You and I could use this time
You and I could just go now
I want to, do you want to
There's a place that I know
And I wonder if you're ready to go
And you don't have to wait
If you're ready to go there with me
No one will know
So just go with the flow now
'Cuz you don't have to wait
If you're ready now to go there with me
Come on, come on, come on
Let's get to it
Come on, come on, come on
Let's get to it
I want to, do you want to
There's a place that I know
And I wonder if you're ready to go

And you don't have to wait
If you're ready to go there with me
No one will know
So just go with the flow now
'Cuz you don't have to wait
If you're ready now to go there with me
Come on, come on, come on
Let's get to it
Come on, come on, come on
Let's get to it
Come on, come on, come on
Let's get to it
