Rape Me

Nirvana

Rape me
Rape me, my friend
Rape me
Rape me againI'm not the only one, Aaah
I'm not the only one, Aaah
I'm not the only one, Aaah
I'm not the only one, AaahHate me
Do it and do it Again
Waste me
Rape me, my friendI'm not the only one, Aaah
I'm not the only one, Aaah
I'm not the only one, Aaah
I'm not the only one, AaahMy favorite inside source
I'll kiss your open sores
I Appreciate your concern
You're gonna stink and burnRape me
Rape me, my friend
Rape me
Rape me againI'm not the only one, Aaah
I'm not the only one, Aaah
I'm not the only one, Aaah
I'm not the only one, AaahRape me! (Rape me!)
Rape me! (Rape me!)
Rape me! (Rape me!)
Rape me! (Rape me!)
Rape me! (Rape me!)
Rape me! (Rape me!)
Rape me! (Rape me!)
Rape me! (Rape me!)
