Fire In the Trailer Park

The Glasspack

I been workin' 9-5, just to keep your little ratty ass alive!
And you say you're gonna go away, I'll just see you another day!
Know the world, know the truth...
Is that you don't know anything, you're so confused.
Now I'm sittin' here all alone, wanna burn your happy home!
Go on, just go away, I'll see you another day.
Know the world, know the truth...
Is that you don't know anything, you're so confused.
Hope you're just sittinâ€™ there all alone, oooooowwwwwwwww!
And I hope you just die that way, never see you another day.
Know the world, know the truth...
Is that you don't know anything, you're so confused.
So confused...
