Through The Rain

Rachelle Ann Go

I.
When you get caught in the rain
With no where to run
When your distraught and in pain
Without anyone
When you keep crying out to be saved
But nobody comes
And you feel so far away
That you just can't find your way home
You can get there alone
It's okay, what you say is

CHORUS:
I can make it through th rain
I can stand up once again
On my own and i know
That I'm strong enough to mend
And every time I feel afraid
I hold tighter to my faith
And I live on more day
And I make it through the rain

II.
And if it keeps falling down
Don't you dare give in
You will arrive safe and sound,
so keep pressing on steadfastly
And you'll find what you need
To prevail, what you say is

CHORUS:
I can make it through th rain
I can stand up once again
On my own and i know
That I'm strong enough to mend
And every time I feel afraid
I hold tighter to my faith
And I live on more day

And I make it through the rain

BRIDGE:
And when the wind blows,
As shadows grow close
don't be afraid
there's nothing you can't face
And they should tell you
You'll never pull it through
Don't hesitate,
Stand tall and say....

CHORUS:
I can make it through th rain
I can stand up once again
On my own and i know
That I'm strong enough to mend
And every time I feel afraid
I hold tighter to my faith
And I live on more day
And I make it through the rain

I can make it through the rain
I can stand up once again
And I live one more day and night
I can make it through the rain (yes you can)
you will make it through the rain
