

And I Love Him (Matthew Kyle Acid Jazz Mix)

Esther Phillips

I give him all my love
That's all I do
And if you saw my love
You'd love him too
I love him He gives me everything
And tenderly
The kiss my lover brings
He brings to me
And I love him
A love like ours
Could never die
As long as I
Have you near me Bright are the stars that shine
Dark is the sky
I know this love of mine
will never die
And I love him
Bright are the stars that shine
Dark is the sky
I know this love of mine
will never die
And I love him, ooh
