Dynamite

Evilsons

Kick your ass to heaven with rock n' roll tonight
I'll make this night a special one make you feel alright
Shoot my heat into your body give you all my size
I'm gonna beat the beat tonight it's time to break the ice
Dynamite, dynamite
Dynamite, dynamite
Hit the top together, I get you with my spell
I'm gonna make my shot tonight take you down to hell
Eat your meat until you're breathless twirl your hips around
I'm gonna break my neck tonight I'll get you off the ground
Dynamite, you're dynamite
Dynamite, dynamite
Get it now or never let's get it really tight

We'll make this night a special one make us feel alright
Put your heat into my body give you all my size
We gonna beat the beat tonight come on let's break the ice
Dynamite, you're dynamite
Dynamite, dynamite, dynamite
You're dynamite
Dynamite, dynamite
Dynamite
You're dynamite, baby
Dynamite, dynamite, dynamite
Dynamite, alright yeah
You baby, you baby
You're dynamite, oh yeah
