Don't Run Away, Emilie

TORRES

Empty talk and angry lies
Had made a home behind my eyes
They told me they were here to stay
And I believed them 'til the day
I saw you smile
Your kindest eyes were laughing
And for the first time
This place felt like homeDon't run away, Emilie
Please don't try and get out now
Dream of angels, Emilie
I need you 'cause you see me
SomehowI don't feel the need today
For my usual masquerade
I threw away the pedestal
I'd rather have what's real
And when I saw you smile
Your kindest eyes were laughing
And for the first time
This place felt like homeDon't run away, Emilie
Please don't try and get out now
Dream of angels, Emilie
I need you 'cause you see meI wanna tell you everything
I wanna tell you everything
I'll be the truest one you know
If you'll stay a whileDon't run away, Emilie
Please don't try and get out now
Dream of angels, Emilie
I need you 'cause you see meDon't run away, Emilie
Please don't try and get out now
Dream of angels, Emilie
I need you 'cause you see me
Somehow
