Slow Down

Steve Gaines

Where did the time go? Because I wanna slow down now I take some aspirin and I rent a video But I'm still with you And I don't know how to slow down now Because there's nothing else to do I don't know where to go I don't know what to try Nothing to complain about and no reason to cry All I wanna do it have some fun before I die [Chorus] I just forgot to slow down now I gotta slow down now I gotta gotta slow down now I'm 15 and I'm going on 22 You know I gotta slow down now I just forgot to slow down But I'm still with you I don't know what to try I don't know where to go All I wanna do is have some fun before I die [Chorus] Nothing to complain about and no reason to cry You've lost it now what can I say Don't have to give it all away Life is much longer then one-day [Chorus]
