Sayonara

Miranda Cosgrove

Like a ninja out of the dark
I'll steal your heart
I'll steal your heart

Maybe give you more than I should
make you feel good
make you feel good

Chorus 1

Like a tiger burning through the night
you're the fire
got you in my sight
feel the music running through my blood
can't fight my love oh, oh
What I need, what I need
is a rocket to ride
to the beat, to the beat
We'll be moving all night
so baby just keep it rocking
keep it rocking
keep it rocking
better like what I see or it's
Sayonara

Under pressure watched you before
turning on me
chasing a storm

Yeah I'm falling into your sound
don't let me down
don't let me down

Repeat Chorus 1 and 2

Sayonara
Sayonara
Sayonara
yeah
Sayonara

Sayonara
Don't make me say it
Sayonara
Sayonara
Sayonara
yeah
Sayonara
Sayonara
D-D-Don't make me say it

Body
hands all over my
body
work me out like karate
tell me boy
can we kick it now
can you hold it down

Body
hands all over my
body
work me out like karate
tell me boy
can we kick it now
can you hold it down

What I need
what I need
is a rocket to ride
to the beat
to the beat
we'll be moving all night
so baby just keep it rocking
keep it rocking
keep it rocking
better like what I see or it's

Sayonara
Sayonara
Sayonara

Like a ninja out of the dark
I'll steal your heart
I'll steal your heart
