Run To You

Third Day

I was tired of waiting
Playing all the games and
Living in a place that was not for me
So I thought it was time
For me to get what?s mine
And to do it all, everything I dreamed
What I thought was the best of me turned to be
All the worst I could findIf I run to you
Will you hold me in your arms forevermore
If I run to you
Will you hold me in your arms forevermoreNow I got a feeling
That I've got to leave and
Find a way back to where I came from
Though I don't deserve it
I know it's unheard but
Living here without you, my life is done
I confess that I shouldn't have run from you
Now I know I was wrongNowhere to run to
And no one to turn to
I?m dying out here on my own
Long before I even thought of returning
Your arms are wide open
Waiting for me to come home
