Little Bit Of Soul

King's X

Put a little soul in your pocket
Put a little soul in the street
Put a little soul in your rhythm
Put a little soul in mePut a little soul in your lover
Put a little soul in those sheets
Put a little soul in something
Put a little soul in meJust a little bit, just a little bit
A little bit of soulPut a little soul in your music
Put a little soul in your groove
Put a little soul in your vision
Put a little soul in youPut a little soul in your living
Put a little soul in your time
Put a little soul in your religion
Put a little soul in mineJust a little bit, just a little bit
A little bit of soulPut a little soul in the thing
That you love to do
Let it all go if you want to
It'll come back to youJust a little bit, just a little bit
A little bit of soul
