On My Way

Copper Box

I don't want your old letters
And I don't want to be friends
I've had enough to last a lifetime
And I don't wanna go again
And I don't have to find a reason
And I don't have to answer why
It doesn't matter who is wrong here
I just wanna see you cry
And on my way, I'll take the sunshine
And on my way, I'll take your dreams
On my way, I'll say I'm sorry to no one but me
Let your family know I'm leavin'
Lie to your girlfriends that you're well
Call and leave a cryin' message
I wanna know it hurts like hell
And on my way, I'll take the sunshine
And on my way, I'll take your dreams
On my way, I'll say I'm sorry to no one but me
On my way, I'll be my own man
And I'll only please myself
On my way my pride's the only feelin' I've got left, yeah
Feelin' I've got left
And on my way I'll take the sunshine
And on my way, I'll take your dreams
On my way, I'll say I'm sorry to no one but me
On my way, I'll be my own man
And I'll only please myself
On my way my pride's the only feelin' I've got left, yeah
