OK

Riverside

Need to stay right here
I don't care if there is a better place
I must try it myself
Again
My broken sleep will never be the same
I'm only hanging on
And waiting for another nightThere's sadness in my mind ok
There's darkness in my mind okWhat has come over me?
Can't believe, but your tears leave me cold
I'm walking through the dark
Again
And I am not afraid to be alone
AnymoreThere's sadness in my mind ok
There's darkness in my mind ok
Thoughts echoing in my mind ok
Everything is gonna be
