Games

Claire

Verse 1
Sweet words with fingers crossed
They seem so easy for you,
Between the lines I see through you,
We're so whatever

You're gone and I feel lost
In all, in all these games
With blurry eyes to scared to move
Bit by bit I'm disappearing

CHORUS.
And it's alright, and It's alright
As long as I can be with you
And it's alright, and It's alright
As long as I can stay

VERSE 2.
Those tempting looks again
Did they mean a thing to you?
But even if I'd fall for them
We're still wherever

Afraid to lose control In all,
in all these games
With muted voice aloud inside
Bit by bit I'm disappearing

CHORUS
And it's alright, and It's alright
As long as I can be with you
And it's alright, and It's alright
As long as I can stay

BRIDGE.
I'm just a ghost in your eyes,
Like I'm never really there
Just one smile would make me happy,
But you don't seem to care
