Why

Robert Plant

WhyOh, the sandman is running
Oh, he ain't telling you why
But she knows, yeah, she knowsOh, the thunder is roaring
Oh, hear his wings in the sky
And he knowsShe don't know, she don't know, she don't know
She don't know, she don't know, she don't know why
Oh, whyShe wants it bad, ohh, she wants it bad, ohh
When you're lost and found a brand new way
Here comes another happy endNow the black night is falling
Oh, see that tear in your eye
'Cause you knowYou don't know, you don't know, you don't know
You don't know, you don't know, you don't know why
Oh, whyShe wants it bad, ohh, she wants it bad, ohh
When you're lost and found a brand new way
Here comes another happy endOh, now the new day is dawning
Ohh, to my past kiss goodbye
And you knowWe don't know, we don't know, we don't know
We don't know, we don't know, we don't know
We don't know, we don't know, we don't know whyOhh, why, w-w-why
Ohh, why, ohh, why, oh, why
Why, w-w-why
