

# It's All Over Now

## Funny Figures

Well, baby used to stay out, all night long

She made me cry and she did me wrong

She had my nose open, that's no lie

The table's have turned, now it's her turn to cry  
Because I used to love her, but it's all over now  
Because I used to love her, but it's all over now  
Well, she used to run around with every man in town

She spent all my money trying to play that high class game

She put me down, it was a pity how I cried

The table's have turned, now it's her turn to cry  
Because I used to love her, but it's all over now  
Because I used to love her, but it's all over now  
I used to wake up in the morning, get my breakfast in bed

Whenever I got worried, she would rub my aching head

But now she's here and there, with every man in town

Still trying to take me for that same old clown  
Because I used to love her, but it's all over now

Because I used to love her, but it's all over now  
Well, baby used to stay out, all night long

She made me cry and she did me wrong

She had my nose open, that's no lie

The table's have turned, now it's her turn to cry  
Because I used to love her, but it's all over now

Because I used to love her, but it's all over now

Because I used to love her, but it's all over now
