Smokescreen

Jo Bywater

Hey now mama if you got the time
There's a few things I must say
I got some news and it's on my mind
So don't get in my way
I won't be fooled by the things you do
I know all your tricks
There's a smokescreen baby all around you
I got some of my own licksSmokescreen
SmokescreenI work so hard and I treat you right
How could you be so cruel
Take advantage of my loving heart
Wait a minute I'm no fool
I know you and the things you do
Don't think you're fooling me
There's a smokescreen baby all around you
I just can't let you beSmokescreen
SmokescreenYou admit that you was on the rag
Treating me with contempt
Might've been stoned it was such a drag
It was no suicide attempt
But I've worked it out
Everything's all right
I'm so glad to say
There's a smokescreen baby all around you
So don't get in my waySmokescreen
Smokescreen
Smokescreen
Smokescreen
