Runnin' Away

Max'C

Running away to get away
Ha ha ha ha
You're wearing out your shoesLook at you, fooling youMaking blues of night and day
Hee hee hee hee
You're stretching out your duesLook at you, fooling youShorter cut is quicker but
Ha ha ha ha
Time is here to stayLook at you, fooling youThe deeper in debt the harder you bet
Hee hee hee hee
Need more room to playLook at you, fooling youAnother day you're farther away
Ha ha ha ha
A longer trip back home
