Wide Open

dsr

Oh, ay, oh, ay, oh
Oh, ay, oh, ay, oh
I've been waiting my whole life betting on a change
See it coming, getting better, getting better now
Feel the shake, shake steady of a soul to the flame
Come in closer, oh, come feel the love on the inside
Electric current in my veins lets me know I'm alive
I burn, I breathe, I blink, I change
Wide, wide, wide, wide open
And it's a fine, fine, fine, fine world
And this is my, my life I'm hoping
Will be a fine, fine, fine, fine world
Oh, ay, oh, ay, oh
Oh, ay, oh, ay, oh
Every life has a moment where sweat meets fate
On your mark, get ready, get ready now
Gonna find out fast what a heart can take
Come in closer, oh, come feel the love on the inside
Electric current in my veins lets me know I'm alive
I burn, I breathe, I blink, I
Wide, wide, wide, wide open
And it's a fine, fine, fine, fine world
And this is my, my life I'm hoping
Will be a fine, fine, fine, fine world
Around a wide, wide, wide, wide open
And it's a fine, fine, fine, fine world
Oh, ay, oh, ay, oh
Oh, ay, oh, ay, oh
(Get ready, get ready now)
Oh, ay, oh, ay, oh
(Get ready, get ready now)
Oh, ay, oh, ay, oh
(Get ready, get ready now)
Oh, ay, oh, ay, oh
(Get ready, get ready, go)
