

Send It On

Selena Gomez, Demi Lovato, Miley Cyrus, Jonas Brot

Miley: A word's just a word, 'til you mean what you say.

Nick: And Love isn't love, 'til you give it away.

Miley: We've all gotta give

Nick: Give something to give

Both: To make a change...All: Send It On! On and On!

Just one hand can heal another!

Be a part, reach a heart

Just one spark starts a fire!

With one little action the chain reaction will never stop!

Make it strong

Shine a light and Send It On

Demi: Just smile

Joe: (just smile)

Demi: And the world

Joe: (and the world)

Both: will smile along with you

Joe: That small

act of love

Is meant for one to

Both: become two!

Miley: If we take the chances

Nick: To change circumstances

Miley and Nick: Imagine all we can do

If we

All: Send It On! On and On!

Just one hand can heal another!

Be a part, reach a heart

Just one spark starts a fire!

With one little action the chain reaction will never stop!

Make it strong
