How Ya Doin'

Utada

[All]
Hey how ya doin' sorry you can't get through
Why don't you leave your name and your number
And we'll get back to you (Ooh Ooh Ooh)
(x2)[Leigh-Anne]
Ain't got no time for what you think can be described as love
I've cut your hold on me, you're missing me, I've had enough
It's been so long since you have treated me like I deserve
So long baby I'm gone you can leave a message for me after the tone[Jesy]
You called I missed it
You called I missed it
You called and I missed it
Never get back and
Tired of listenin'[All]
Hey how ya doin' sorry you can't get through
Why don't you leave your name and your number
And we'll get back to you (Ooh Ooh Ooh)Hey how ya doin' sorry we don't mean to be rude
Why don't you leave your name and your number
and we'll get back to youI know that you can call up my phone
But baby there ain't nobody home
So won't you leave your name and your number?
And we'll get back to you[Perrie]
I'm through with wishin' things with you and me could be so good
Time to wake up oh no make-ups can't make me a fool
Too much history now it comes down to one thing
So long (long), baby I'm gone (gone) you can leave a message for me after the tone
(Oh)[Jesy]
