Here's To You

Diffuser

Here's to you: and all your loving thoughts
Here's to you: you're such a fucking boreHere's to you for bringing me down
Here's to you I'm glad you're gone now
Ain't it true what comes round goes aroung
Here's to youLured me in and then you lead me on
Used me up to get just what you want
Shards of sweat will cut ten-fold
When you realize you are all aloneHere's to you for bringing me down
Here's to you I'm glad you gone now
Ain't it true what comes round goes around
Here's to you
