I Don't Need the Sun

CHAPPO

I don't need the sea to keep me swimming
I don't need the sun to keep me warm
I don't need the sky to keep me dreaming
I don't need the beach to calm me downI don't need the trees to keep me singing
I don't need the wind to cool me off
I don't need the boat to run away to
I don't need to hear a thought at allThe envelope that I open
It holds all my emotions
You smell like you, like you always do
It's overwhelming
IT'S HAUNTINGI DON'T NEED THE SUN
I DON'T NEED THE SUN
I don't need the roots to keep me grounded
I don't need the cloud to drift away
I don't need the earth to sink my hands through
I don't need to hear a sound todayI don't need a breath of oxygen
I don't need to drop a waterfall
I don't need the taste to touch or cling to
I want to smell it allThe envelope that I open
It holds all my emotions
You smell like you, like you always do
It's overwhelming
IT'S HAUNTINGI don't need the sea to keep me swimming
I don't need the sun to keep me warm
I don't need the sky to keep me dreaming
I don't need the beach to calm me down
The envelope that I open
It holds all my emotion
You smell like you, like you always do
It's overwhelming
