

Public Apology

Attila

[Intro]

I want every single one of you to know that I am truly sorry from the bottom of my heart. I am so sorry, sorry
that you're a little bitch[Verse 1]

You want apologies, well fuck you
None of you motherfuckers will know what I've been through
[?] jail cell

All of y'all can go to hell
[?] washing dishes in a [?] kitchen
[?] bad news and dark visions
You wanna talk like you know
You wanna talk more shit but you motherfuckin' [?]

[Pre-Chorus]

Here we go, here we go, here we go

Now listen up[Chorus]

Fuck your shit, I stay sick
If you don't like it, you could suck this dick
I say cunt, I say bitch
You motherfuckers get offended by anything
Fuck your shit, I stay sick
If you don't like it, you could suck this dick
I say cunt, I say bitch

You motherfuckers get offended by anything
So go ahead and get offended by this[Verse 2]

Take it or leave it, I can get by [?]
I see you bitches for a living, I'm just glad I offended you

I'm here to stay, I ain't going away
You can [?] but I'ma stay the same, what[Pre-Chorus 2]

Are you done, are you done
Are you fucking done[Chorus]

Fuck your shit, I stay sick
If you don't like it, you could suck this dick
I say cunt, I say bitch
You motherfuckers get offended by anything
Fuck your shit, I stay sick
If you don't like it, you could suck this dick
I say cunt, I say bitch

You motherfuckers get offended by anything[Bridge]

Your finger's on the trigger
But my hand's around your neck

So easily insulted
[?] under your skin[Pre-Verse]
Uh, let me tell you something
Turn me up, uh here we go[Verse 3]
I went on tour without a penny in my pocket
[dreams of] making music was the only thing I rocked with
You wanna judge like [?]
Well come and say it to my face
You can catch these hands[Chorus]
Fuck your shit, I stay sick
If you don't like it, you could suck this dick
I say cunt, I say bitch
You motherfuckers get offended by anything
Fuck your shit, I stay sick
If you don't like it, you could suck this dick
I say cunt, I say bitch
You motherfuckers get offended by anything
So go ahead and get offended by this[Bridge]
Your finger's on the trigger
But my hand's around your neck
So easily insulted
[?] under your skin[Outro]
Ha-ha-ha, oh yeah
I am so sorry, sike
