Feels so Good

Jonathan Butler

Sing along with me
This song is filled with happiness and joy
And loveTake a ride with me
The sun is out, blue skies are everywhere
And you will seeThere's so much magic in the air
Out there
Birds are singing in harmonyAnd it feels
So good
When I'm with you
So goodEvery day with you
It's so good
When I'm with you
It's so goodHow beautiful to me
This world can be when we share heart to heart
You and meLook into my eyes
Reflecting off the beauty that's in you
Reflecting meThere's so much magic in the air
Out there
The birds are singing in harmonyAnd it feels
So good
When I'm with you
So goodEvery day with you
It's so good
When I'm with you
It's so goodIt feels so good
It feels so goodAnd it feels
(It feels so good)
So good
(It feels so good)When I'm with you
(It feels so good)
It's so good
(It feels so good)And it feels
(It feels so good)
So good
(It feels so good)When I'm with you
(It feels so good)
It's so goodEvery day with you
It's so good
When I'm with you

It's so goodIt's so good
It's so good
It's so good
Girl, it's so good
So goodEvery day with you
Every day with you, baby, baby
It's so good
When I'm with you
So good
