

# It's the Lover (Not the Love)

Tiffany

=====

He broke your heart and said goodbye  
After promising forever  
You wonder why you even tried  
he was such a good pretender  
The love you gave was all in vain  
and nothing anyone can say  
could ever make you love that way again  
It's the lover not the love  
who broke your heart last night  
It's the lover not the dream  
that didn't work out right  
if you listen to your heart  
ooh you'll know it's true  
It's the lover not the love  
who deserted you  
Don't stop reaching for the stars  
Let tomorrow live inside you  
And just remember who you are  
Keep the faith and love will find you  
A heart in love can lose it's true  
but don't give up in time to find  
the one who's right will come to you  
It's the lover not the love  
who broke your heart last night  
It's the lover not the dream  
that didn't work out right  
if you listen to your heart  
ooh you'll know it's true  
It's the lover not the love  
who deserted you  
It does no good to second guess  
whether love is wrong or right  
If it was really meant to be  
he'd be with you tonight, tonight, oh yeah....

It's the lover not the love  
who broke your heart last night

It's the lover not the dream  
that didn't work out right  
if you listen to your heart  
ooh you'll know it's true  
It's the lover not the love  
who deserted you  
ooh
