Jennifer

Bikeride

She's so beautiful, she is super nice
Everybody say she's special
She is wonderful, unbelievable, sweet
I guess she is perfect
Stop saying she's just a friend
Keep hearing her name again, name again
I really have to say she's always in my way
I can't believe how much you love her
How can I make you see?
It's either her or me, I will never be like Jennifer
She's a fragile girl, skin like porcelain
Shame on you, if you would hurt her
She's adorable, oh, so vulnerable
I wish that somebody would drop her
Stop saying she's just a friend
Keep hearing her name again, name again
I really have to say, she's always in my way
I can't believe how much you love her
How can I make you see?
It's either her or me, I will never be like Jennifer
Stop saying she's just a friend
Keep hearing her name again, name again
I really have to say, she's always in my way
I can't believe how much you love her
How can I make you see?
It's either her or me, I will never be like Jennifer
I really have to say, she's always in my way
I can't believe how much you love her
How can I make you see?
It's either her or me, I will never be like Jennifer
