# One for you

## Cadik

I wanna be the one for
(One for)
I wanna be the one for
(One for)I wanna be the one for
(Be the one for you)
I wanna be the one for youBe the one for you
For you be the one
Be the one for youBaby, it's alright, I know that you aren't mine
But baby, into time things are gonna change
Baby I can't lie, you've been on my mind
More than new and past and every day I feel the same(I wanna)
I wanna be the one for
(One for)(I wanna)
I wanna be the one for
(One for)(I wanna)
I wanna be the one for
(Be the one for you)
I wanna be the one for youI really wanna be the one and I ain't talking one's and two's
I really wanna be the one, I wanna be the one for you
I really wanna be the one so tell me what you wanna do
I really wanna be the one, I wanna be the one for youLately all I seem, seem to do is dream
I'm the one for you and you're the one for
I don't wanna wake up, so I'm not gonna do it
I'm going through it, I wanna be the one for youI wanna be the one for
(One for)
I wanna be the one for
(One for)I wanna be the one for
(Be the one for you)
I wanna be the one for youI really wanna be the one and I ain't talking one's and two's
I really wanna be the one, I wanna be the one for you
I really wanna be the one so tell me what you wanna do
I really wanna be the one, I wanna be the one for youI wanna, wanna be the one, I wanna, wanna be the one
Wanna, wanna be the one, I wanna, wanna be the one for you
I wanna, wanna be the one, I wanna, wanna be the one
Wanna, wanna be the one, I wanna, wanna be the one for youI really wanna be the one and I ain't talking one's and two's
I really wanna be the one, I wanna be the one for you
I really wanna be the one so tell me what you wanna do
I really wanna be the one, I wanna be the one for you

I wanna be the one for you, I wanna be the one for youOne for you, one for you, one for you, one for youK-I-S-S-I-N-G when we kiss make me feel like I'm 17
Oh baby, I got butterflies only you can turn the hood into paradise
Real woman, don't you recognize, don't let this opportunity pass you by
Oh eh eh oh, okay you know, I wanna be the one, be the only one for youBoy when I look in your eyes, so special and something tells me
With you I feel so alive, what I'd for you when you fold me
Just tell me what to do and you best believe I will do it
I've never trusted someone so much, the way that I trust youI wanna be the one for you, I wanna be the one for you
I wanna be the one, be the one, be the one
I wanna be the one, be the one, be the one for you
I wanna be the one for you
