

# Stroke Me (Explicit Version)

Mickey Avalon

Stroke me, stroke me  
It's as easy as 123  
Stroke me, stroke me  
I'll touch you if you touch me

Grab a hold of my Johnson I want some  
Put away that fake ID from Wisconsin  
If you're over 18 then it's on  
I don't give a shit if you live with your mom  
I know you heard about me  
Mickey Avalon raps Ron Jeremy  
Don't talk, drop to your knees  
and I'll show you what the fuck I mean

Hey little lady don't you say maybe  
You and I could leave right now  
Let's get naked shake your money maker  
Baby I'mma show you how to

Stroke me, stroke me (how to stroke me)  
It's as easy as 123  
Stroke me, stroke me (how to stroke me)  
I'll touch you if you touch me

Let me take you back to my stabbin' cabin  
Beta max roll with the action  
Pornographic passion  
Californication bastards  
Cassius Clay when I'm jabbin' punani  
Like Cunanan in a Versace mansion  
Baby let's get naughty  
Shake your body

Hey little lady don't you say maybe  
You and I could leave right now  
Let's get naked shake your money maker  
Baby I'mma show you how to

Stroke me, stroke me (how to stroke me)  
It's as easy as 123

Stroke me, stroke me (how to stroke me)

I'll touch you if you touch me

Touch t-t-touch me

Touch t-t-touch me

I gotta lot of Led in my Zeppelin

So step in and climb my stairway to Heaven

I'm rockin' electric

Ta-talk to me sexy

Leslie don't mind when I call her Lindsay

Blowin' slow down before you hit me

Let me get a look at the goods

She said that she wouldn't but I knew that she would

Hey little lady don't you say maybe

You and I could leave right now

Let's get naked shake your money maker

Baby I'mma show you how to

Stroke me, stroke me (how to stroke me)

It's as easy as 123

Stroke me, stroke me (how to stroke me)

I'll touch you if you touch me

I'll touch you if you touch me
