Wheel Me Out

Was (Not Was)

Wheel me out
Wheel me out
Wheel me out
Wheel me out

I'm lonely on this wheels
I'm really rude to you
I'm the former scientist, now on wheels
Then I was discouraged by you
People who would never push the wheels
You will do it to me and I'm next

Then I was discouraged by you
Then I was discouraged by you
You'll get a thing I'm from
And I am next, and I'm next, you, you, you did it
Then I was discouraged by you
That really was an ultra date
Then I was discouraged by you
Discouraged by you
You never pushed the wheels
You give to him
You give to him
You give to him
And I'm next
Now I'm next
When I'm next
And I'm next
And I'm next
And I'm next
And I'm next

Wheel me out
Wheel me out
Wheel me out
Wheel me out
Wheel me out
Wheel me out
Wheel me out

Wheel me out

Out
Out
Out
Out
Out
Out
Out
Out
Wheel me out
Wheel me out
Wheel me out
Wheel me out
Wheel me out
Wheel me out
Wheel me out
