Good Days, Bad Days

Rebecca Ferguson

People say dream
Everyboy dreaming their life away
And there you are
Wishing on stars everydayFeel torn by the You work so hard to hide
But life's a bitch
Remember she's not always on timeRight through your good days and bad days
Sad days and dark days
I'll be here for ya
And when you're too weak to get off the ground
I'll pick you up, won't knock you down
I'll be here for ya
People wanna get away
Everybody trying to do something with their lives
With some sense you've gotta pay
But it's not a price you pay all of the time
And everything you have to face
What would do I think you'll find it's alright
So give yourself a break
And be patient
Let's all come out of the rainRight through your good days and bad days
Sad days and dark days
I'll be here for ya
And when you're too weak to get off the ground
I'll pick you up, won't knock you down
I'll be here for ya
Right through your good days and bad days
Sad days and dark days
I'll be here for ya
And when you feel like you can't get off the ground
I'll be here for yaWhen you're alone by yourself
And you feel like nbody is yours
I'll be there
When you feel like nobody's around to help
I'll be there
And every tear that you cry
I will pour out to dry
I'll be thereRight through your good days and bad days
Sad days and dark days
I'll be here for ya

And when you're too weak to get off the ground
I'll pick you up, won't knock you down
I'll be here for yaRight through your good days and bad days
Sad days and dark days
I'll be here for ya (I'll be there for ya)
And when you feel like you can't get off the ground
I'll, I'll be there for ya (I'll be waiting for ya)People wanna get away
Everybody trying to do something with their lives
People wanna get away
Everybody trying to do something with their lives...
