Uprising

Museç•€

The paranoia is in bloom
The P.R. transmissions will resume
They'll try to push drugs to keep us all dumbed down
And hope that we will never see the truth aroundSo come onAnother promise, another seed, another
Packaged lie to keep us trapped in greed with all the
Green belts wrapped around our minds and endless
Red tape to keep the truth confinedSo come onThey will not force us
And they will stop degrading us
And they will not control us
We will be victorious
So come onInterchanging mind control
Come let the revolution take its toll
If you could flick a switch and open your third eye
You'd see that we should never be afraid to dieSo come onRise up and take the power back
It's time the fat cat's had a heart attack
You know that their time is coming to an end
We have to unify and watch our flag ascendSo come onThey will not force us
They will stop degrading us
They will not control us
We will be victorious, so come onHey, hey, hey, hey
Hey, hey, hey, hey
Hey, hey, hey, heyThey will not force us
They will stop degrading us
They will not control us
We will be victorious, so come onHey, hey, hey, hey
