

# All God's Children Will Be There

**Rev. F. C. Barnes & Rev. Janice Brown**

All God's children will be there, in that great homegathering in the air,  
We're gonna sit around the throne in that big and beautiful home  
They'll be coming from every nation, coming from all generation  
There'll be no more segregation  
We're gonna have a good time up there
