Here's Hoping

Зеркало

Shot down
You knew that I was lonely
By the shiver in my voice
It seems like everybody's hoping
But we never make the right choice
Oh, and we hold on
And we're not afraid, we run to the sun
I just wanted to know who you are
It never ends, my best friends
I just wanted to see you
It feels like you've given up on me
I can see it in your eyes
It seems like everybody's coping
But we never make a stand
Oh, and we hold on
And we're not afraid, we run to the sun
I just wanted to know who you are
It never ends, my best friends
I just wanted to see you
Ot feels like you've given up
It feels like you've given up, oh
Oh, with my foot in my mouth
I don't remember what I said
Best day of my life, I don't remember
Something tells me you're not so innocent?
Oh, and we hold on
And we're not afraid, we run to the sun
I just wanted to know who you are
It never ends, my best friends
I just wanted to see you it feels like you've given up
With my foot in my mouth
I don't remember what I said
Best day of my life I don't remember
And my foot in my mouth
I don't remember what I said
Best day of my life I don't remember
I don't remember, oh
