How Soon Is Now?

Love Spit Love

I am the son and the heir
Of a shyness that is criminally vulgar
I am the son and the heir
Of nothing in particularYou shut your mouth, how dare you say
I go about things the wrong way
I am human I need to be loved
Just like everybody else doesI am the son and the heir
Of a shyness that is criminally vulgar
I am the son and the heir
Of nothing in particularYou shut your mouth, how dare you say
I go about things the wrong way
I am human I need to be loved
Just like everybody else doesThere's a club if you like to go
You could meet someone who really loves you
So you go and you stand on your own
And you leave on your own
And you go home and you cry and you want to dieWhen you say it's gonna happen now
When exactly do you mean?
See I've already waited too long
And all my hope is gone[Incomprehensible]
