Morning Night and Day

New Order

One time didnÃ‚Â´t do it
Two times didnÃ‚Â´t feel quite right
I didnÃ‚Â´t know where I was going
I just knew that I would be alright

I woke up in a drunken haze
The sun shone through my window pane
I said that iÃ‚Â´d never do it again
What kind of fool do you think I am?

[Chorus:]
It happens
It always seems to happen
Morning night and day
I just want some action
Give me satisfaction
Send me to my fate
Morning night and day

I had a good time late last night
I didnÃ‚Â´t think it would ever end
I walked home in a broad day light
CouldnÃ‚Â´t get a cab at half past five

One drink wouldnÃ‚Â´t do it
Two drinks are far too much
I didnÃ‚Â´t know what I was doing
I hit the floor in a pile of dust

[Chorus]
It happens
It always seems to happen
Morning night and day
I just want some action
Give me satisfaction
Send me to my fate
Morning night and day

So if you think that it wonÃ‚Â´t get you
Well think again friend 'cause it's not true

In my case, it was not my fault
Other people made that call

One time didnÃ‚Â´t do it
Two times didnÃ‚Â´t feel quite right

It happens
It always seems to happen
No matter what I say
Morning night and day
I just want some action
Need some satisfaction
Before it gets too late
Send me to my fate
Morning night and day
