Nothing (Interlude)

Jill Scott

I gotta admit, sometimes I feel week
For loving you the way I do
It's beyond me, can't control it or force it to be
You know, what I want it to beI think about you so much
When I'm with you and when I'm not
It's deep, the way, just looking in your eyes
Just changes my whole perspectiveNothing is more beautiful than loving you
Holding you, being next to you
Kissing your lips
Taking my time with youNothing is more beautiful than loving you
Holding you, being next to you
Moving my hips
Moving in time with you
