I'm A Window

Matthew Good

I'm a window, you're the frame
I'm a gigolo, you're in pain
I'm the highlights, you're the game
If I'm a window, you're just the rainEverybody get off the floor tonight, alright
Everybody get off the floor tonight, alright
Everybody get off the floor tonightScrew the whistle, come be the train
Don't fuck the princess, do the maid
Don't make nothing, just go get paid
If I'm a window, you're just the rainEverybody get off the floor tonight, alright
Everybody get off the floor tonight, alright
Everybody get off the floor tonight, alright
Everybody get off the floor tonightDiving in and out of trash
Something down there's gotta match
Gone away, boys
We're gone away, boysThe waitress she just brings us drinks
And tries to guess what we all think
But it's just noise
Always it's just noiseAnd through this side door in the lane
Somebody's sick but love's to blame
Gone away, boys
We're gone away, boysI'm a window
Come be some wind
I'm a window
Come break in
Come break in
Come break in
