Take Me Apart

Tina Arena

Hey, thanks a lot for invading my life
With your sweet earth smell and those soulful eyes
That see into mine to where I hide
Lost in space it gets lonely sometimes

You crack me up, Iâ€™m starting to splinter
The mother ship is coming apart
Thereâ€™s been a malfunction, I need some attention
Oh, please fix this clunk in my heart

Now I know how much you really want to
I want you but you hesitate, donâ€™t you?

Take me apart, dismantle my heart
Steal my love, see if I care
Take me apart here in the dark
Kiss by kiss, finish what you start
Though Iâ€™ll never be the same, itâ€™s okay, take me apart

Hey, thanks a lot, Iâ€™m feeling better
I feel like swimming â€˜round the universe
You inflate my soul, you got me going
Warp seventh heaven when you touch me there

Now I know how much you really want to
I want you but you hesitate, donâ€™t you?

Take me apart, dismantle my heart
Steal my love, see if I care
Take me apart here in the dark
Kiss by kiss, finish what you start
Though Iâ€™ll never be the same, itâ€™s okay, take me apart

Take me apart, dismantle my heart
Steal my love, see if I care
Take me apart here in the dark
Kiss by kiss, finish what you start
Though Iâ€™ll never be the same, itâ€™s okay, take me apart
