I Believe (ZOEgirl)

ZOEgirl

I used to close my eyes and pray the time would pass me by
So I could fly away in my dreams to anywhere unreal
And I'd hide away from everything
I didn't know what was real, I didn't know the truth
There was a day when somebody introduced me to You
And You breathed Your life in me
You set me freeNow I'll shout it from the mountain
That I'm not the same that I used to be
I believe in God, believe in God
I'm not ashamed to talk about it
To a world that slowly slips away
That I believe in God, believe in GodNow at the end of the day when nothing seems to go my way
I've got a friend, I've got a love that's never gonna let me go
Since You gave Your life for me
You set me freeOh, when I feel so alone
He comes to sweetly say
It's all gonna be okay
Oh, when my emotions flow
He comes to sweetly say
It's all gonna be okay
